

GCSE Results 2020

How can we help?

Our Advice Cafés are here to help students decide what they would like to do with their future once they have their GCSE results. Our staff will be ready to give students the best careers and options advice that we can provide.

Whether it is looking at the right course, making a study adjustment based on results or looking into an Apprenticeship, we can help.

Advice Café Services

Due to the restrictions we are likely to still be facing in August, we are working on ways to make our Advice Cafés safe and accessible for everyone. Therefore, our advice cafés will be able in two ways:

Online Video Sessions - Speak to our advisors privately from home via Zoom video call. There will be no need to book these slots in advance, you will be able to access this service on the day via our website where you will join a waiting room until one of our advisors becomes available. The link to these online sessions will be at www.camre.ac.uk/advice

On-Campus Drop-ins - Both our Cambridge and Huntingdon Campuses will be open for limited hours each day so that you can come and meet with our advisors in person if you wish to do so. (We hold the health and safety of our staff, students and visitors to the highest priority and will be following Government guidelines closely.)
