Dear parents/ carers,

App Changeover

I am writing to inform you of our new parent app.

After the easter break, all parents/ carers will be sent an invitation to MCAS, including a username and invitation code. The MCAS app is available to download free of charge from your app store and will allow us to easily communicate with parents.

Whether it's sharing information such as attendance, achievement and behaviors that have been awarded, key dates or viewing the latest progress report, all of the information is easily accessible from the convenience of your phone, tablet or PC.
