

Sunday 10th April 2022

Dear parents and carers,

I hope you and your family are well and have enjoyed the Easter break thus far.

It is with a heavy heart that I write to inform you of the death of our colleague, Ms Laura Hazeldine, on Friday 9th April. Laura was a much-loved and respected individual who made a huge impact during her time at Ernulf – transitioning from being a teaching assistant to taking on the challenge of becoming a full-time teacher within the newly formed Maths department. She was not just our co-worker but our good friend as well. She was loved and respected by our staff and students; always available to offer a kind word, a smile, or a helping hand. She will be missed immensely.

Laura's death is tragic, untimely, and upsetting. I know that as a school community we will pull together and support each other during this time. For students who knew or have been taught by Laura, I expect this may be particularly upsetting. We will ensure there is support available as we return to school after the break, and I will share details of this with students then.

For those students who would like to take part, there will be an opportunity to commemorate and remember Laura's life in the new term. I will share details of this once it has been arranged.

Yours sincerely

Mr A Bissoo
Principal
