Dear Parent/Carer,

### Year 11 Lincoln University Trip

I am writing to inform you of an upcoming trip for year 11 students to Lincoln University on Tuesday 11<sup>th</sup> October 2022. To further help students with their post-16 destinations choices, students in year 11 will be visiting Lincoln University to gain an insight into what life at university is like, as well as to experience a University campus.

Students will be required to arrive at school promptly at 8:10am ready for the coaches to depart at 8:15am. The trip will consist of a welcome talk followed by a student life talk and a campus tour which will include a tour of University halls accommodation. Students will then break for lunch which can be purchased from the University campus, or students will be welcome to bring a packed lunch with them. Any students who are entitled to free school meals will have a packed lunch provided for them. Following lunch, student will then take part in a seminar in a one of four subjects that they will be able to chose from. Departure from the University will be at 2:30pm with an estimated arrival time back at Ernulf Academy of 4:30pm.

Students will be allowed to wear non-school Uniform which is appropriate and in line with the guidance for non-school uniform days. Any students who arrive at school inappropriately dressed will not be able to attend the trip.

While there is no cost for the activities that will take place whilst at the University, there is a cost of approximately £1500 for the transport to and from the University. Therefore, we are kindly asking for a voluntary contribution of £13 per pupil which can be made via parent pay, and will go towards the travel costs involved. Please be assured that no students will be disadvantaged based on voluntary contributions being made.

This is really valuable experience for year 11 students that is designed to raise ambitions and inform them of higher educational pathways. Should you have any queries regarding this trip, please do not hesitate to contact me at [brogan.webber@astreaernulf.org](mailto:brogan.webber@astreaernulf.org).

Yours sincerely,

Brogan Webber
